The

Way of life

We believe in:

Considering others. Valuing yourself.

Integrity. Commitment.

Treating everyone as equally valuable.

Resourcefulness. Taking yourself lightly.

Making a difference. Family. Friendship.

Laughing, crying,... feeling. Communicating.

Taking some risks. Having fun.

Cleaning up after yourself.

We do:

Celebrate birthdays, events and achievements; play the Smarties game; commiserate over setbacks; watch silly TV together; argue; help each other out; listen.
