

Your turn

What obstacles to your child's learning will you address at home? Can you reduce the stress in his life? Do you need to reduce the number of extra-curricular activities he's doing? If you're honest have you been nagging?

.....
.....
.....

How will you adjust your praise to make sure it isn't adding to your child's pressure?

.....
.....
.....

What will your approach to failure be?

.....
.....

Have a rethink of homework. Get your child's input into making it work well. How can you signify that things are going to be different now?
